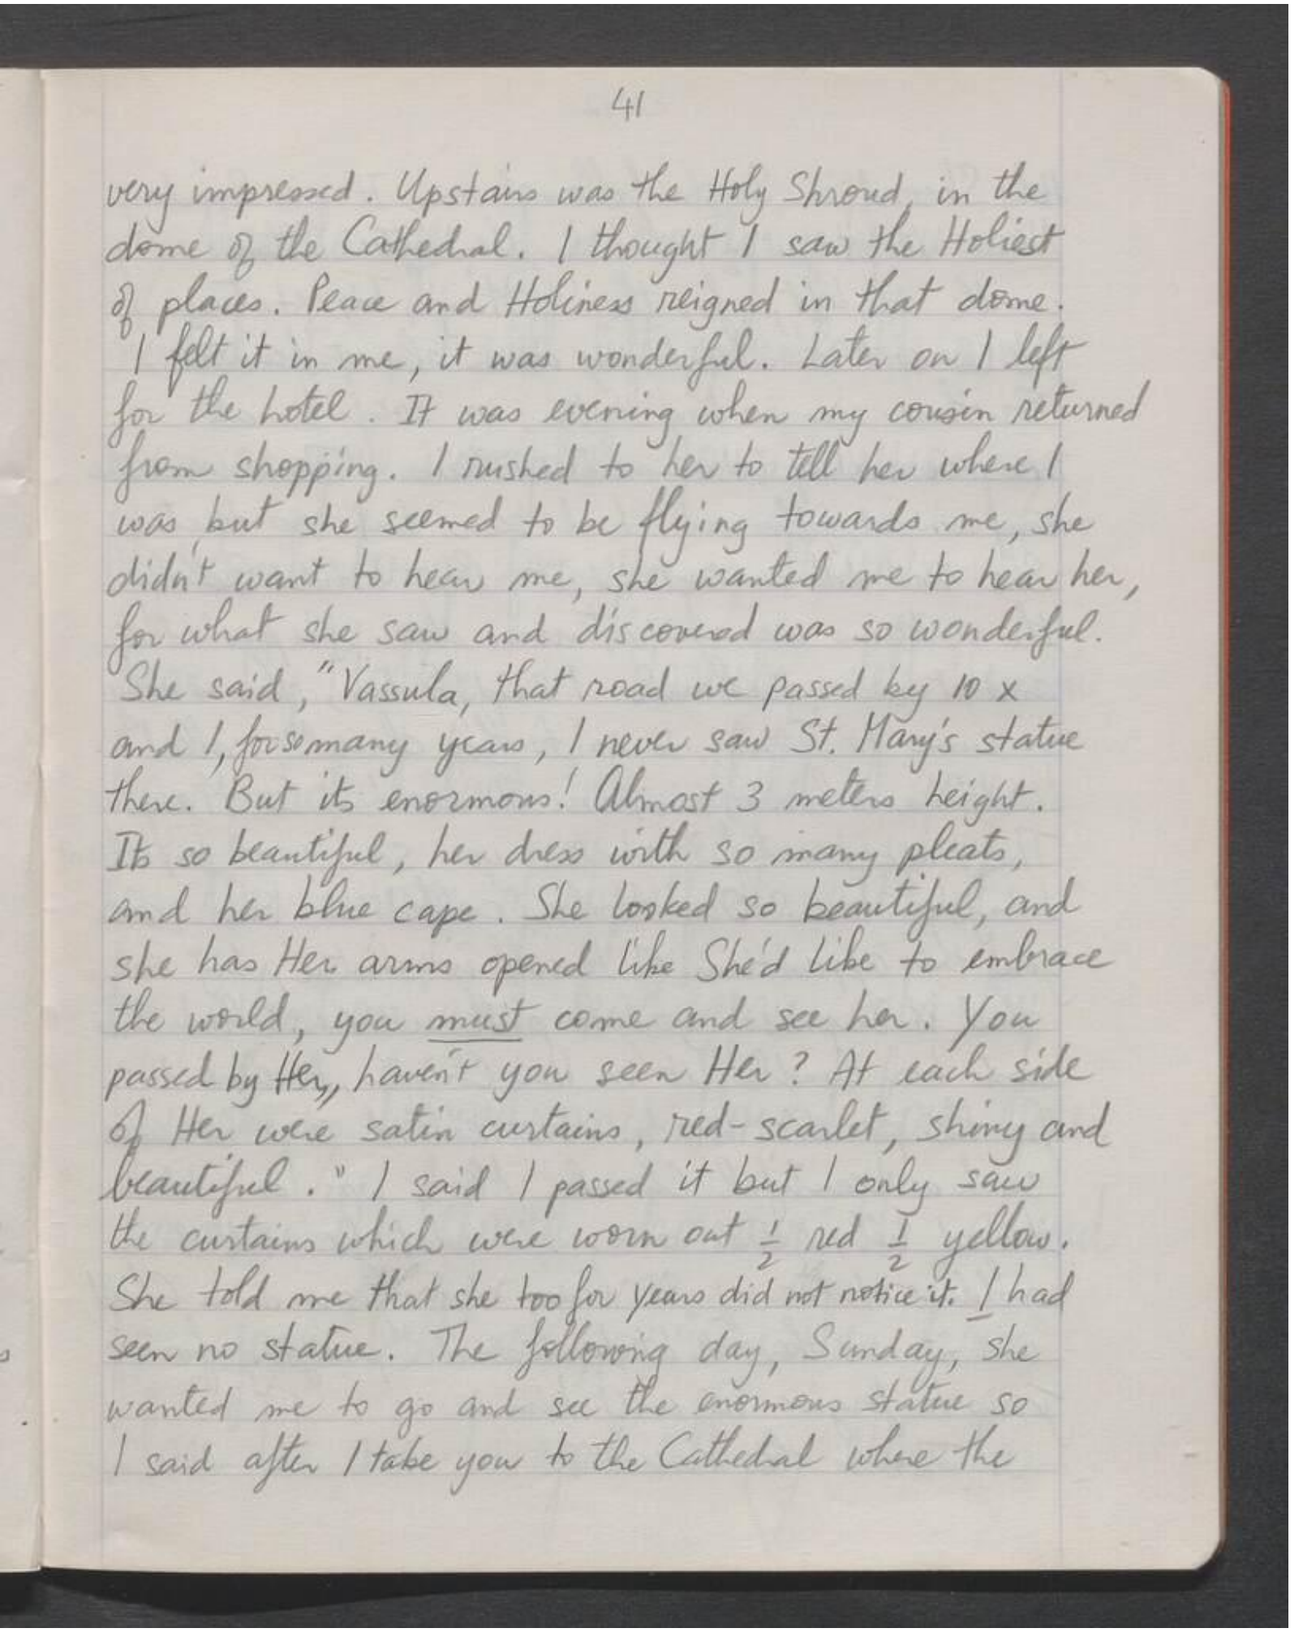
I would go and repair for the pastor, as St. Mary asked me to do. Later on my cousin Ismini rang me up telling me they will go visit Turin in Italy, and if we'd like to go with them. Finally, I thought, it was my dream always to go there and visit the Cathedral that has the Holy Shroud. Jesus has arranged it again for me. I would go. My cousins drove us to the hotel they usually go. Turin is enormous as town, but our hotel was 500 meters from what I went for! Jesus made it easy for me. We arrived on Saturday lunch, and after a while I went to the Cathedral. I was



41

very impressed. Upstairs was the Holy Shroud in the dome of the Cathedral. I thought I saw the Holiest of places. Peace and Holiness reigned in that dome. I felt it in me, it was wonderful. Later on I left for the hotel. It was evening when my cousin returned from shopping. I rushed to her to tell her where I was but she seemed to be flying towards me, she didn't want to hear me, she wanted me to hear her, for what she saw and discovered was so wonderful. She said, "Vassula, that road we passed by 10 x and I, for so many years, I never saw St. Mary's statue there. But its enormous! Almost 3 meters height. Its so beautiful, her dress with so many pleats, and her blue cape. She looked so beautiful, and she has Her arms opened like She'd like to embrace the world, you must come and see her. You passed by Her, haven't you seen Her? At each side of Her were satin curtains, red-scarlet, shiny and beautiful." I said I passed it but I only saw the curtains which were worn out ½ red ½ yellow. She told me that she too for years did not notice it. I had seen no statue. The following day, Sunday, she wanted me to go and see the enormous statue so I said after I take you to the Cathedral where the

The following day, Sunday, she wanted me to go and see the enormous statue so I said after I take you to the Cathedral where the

Holy Shroud is. So she followed me. It was Sunday
Mass. We stayed ½ an hour, then after litting a
candle we left; for the St. Mary's big statue.
We arrived there and my cousin almost fainted.
For there was no big statue, or even small.
There were no shiny red-scarlet curtains. There were the
ordinary worn-out, yellow-red, I had seen but no statue.
She did not understand it. But I did. Below,
the curtains was an interior door. She pushed it
and it was a church. I said to her, this is why
we came to Turin, to go to this church, called
Madonna di Rosario, to repair. The Church of St. Mary.
The huge beautiful statue you saw was to pull and
bring us here. Our Mother called us. She gave
you the apparition of Herself in statue, big so
that it impressed you, to pull us here." And She
wants her candle lit in Her Church, to amend
for the parish's words. We entered and it was
such a beautiful Church. Mass was on. We
stayed till it was over. We went forward to a
golden statue of St. Mary and Jesus as a Child,
and it was there we lit her candle praying for
Jesus to forgive us and him.
Jesus is this correct?

I felt poor. And I am. I am not pleasing God because of my ignorance and slow to understand. I'm not happy with myself. He was so right about me as being 'by far' the most wretched of His creatures. I hate now talking about how this has started, because I find talking about myself. Its ugly. Very ugly. But friends and people want to hear of how it started, I was obliged to explain and the more I went on I could not avoid despising every time I said something about myself, to the point that it made me decide that from now on I shall not explain how it started thus it will avoid me finding myself talking about myself. I thought they could find out from others, if they are curious, it will be appeased not by me. If they want to read because they believe, God will enlighten them. I shall not be my own witness. I shall leave everything in God's hands. He does the impossible possible, so I shall be from now on just His pencil and paper, His secretary, a secretary taught by Him to love Him, and taking down His words, I shall be His tablet.

While visiting somebody, I found 12.10.87
a magazine of science which promote the scientific
resolutions of thought and discouraging any spiritual
work. Nowadays every supernatural thing has
its 'natural' explanation. Words like, double-perso-
nality, ESP, subconscious, suggestion of thought,
hypnosis, or mass hypnosis, or auto-suggestion.
e.g. for the stigmats it can be explained by
auto-suggestion, thus self-imposed, schyzophrenia,
or sex-complexes. People seem to want to find
always a logic explanation. There would have
been no big prophets like Isaiah these days because
their case would go into scientific files. There would
be soon no saints with stigmats without classifying
them as schyzos and self-induced by auto-

they are trying to compete with God and prove
that they can prove to Him He is not Omnipotent.

(I had other things in mind.) I must tell You that as it is right now these people will not be convinced to their dying last breath, at the most they will file it under the word unexplained, but would not say, "well then this or that comes from God."

I will convince them o My power is beyond theirs, I will show to you all that I am Omnipotent, My Omnipoten-
cy will be seen wherever you may be, no eye will be able to deny it, no man will deny that this

sign comes from Me*1, beloved, how will their theories appear then?*2 how will their men of science feel? what will happen to all their wisdom? I will show to them how their wisdom appears in the face of My Wisdom ♡
I will efface from this world what they believe is wisdom; this is one of the reasons I use you engraving My words on you, to be able and foretell My Plan, I the Lord Am, I was and will always be and it is not up to

*1 will this be a sign in heaven one day? *2 God did not reply.

(I looked) You are smiling* write it and

You are showing me Your dimples when You smile

♡ I love you ♡ I love You Lord.

* I hesitated writing the rest.

13.10.87

♡ I saw Jesus at the door of the bedroom, I knew
He was indicating to me to write, like someone
He was waiting. I was at the door, come
you will work with Me (sometimes Jesus
wants to prove to me that my discernment was right.)
I will foretell you what has to come
so that from now on those that call
themselves wise will believe in My Works
